

## OSLER CPD: ELIGIBILITY, APPLICATION & FEES

---

### Eligibility

Registered medical practitioners with an AHPRA Number can participate in the Osler CPD Home Program.

Those who are excluded from the program are:

- Specialist Trainees registered with a medical college.
- Specialist international medical graduates under assessment, whose CPD home will be the accredited specialist medical college undertaking the assessment.
- Interns/PGY1/PGY2

### Application Process

Applicants may join the program at any stage during the year.

(Please note: to be considered compliant, members must complete the full year's requirements by year's end).

To apply for Osler's CPD Home Program, sign-up at [oslercommunity.com](https://oslercommunity.com).

Sign-up using our simple online process for nominating Osler's CPD Home Program. You will need to provide details including, for example:

- AHPRA Number
- Contact details
- Clinical role and speciality.

Osler will review and validate applicants AHPRA number. Once payments are processed a confirmation email will be sent to the Member and immediate access to Osler's CPD Home will be granted.

### Fees

Annual Fee \$275 (incl GST)

### Revision History

| Version | Date          | Description/Comments       |
|---------|---------------|----------------------------|
| 1.0     | November 2023 |                            |
| 1.1     | May 2026      | Update pricing to incl GST |
